and Gedeon Richter, Plc. announce the*

2022 IUPAC-Richter Prize

in Medicinal Chemistry

Nominate a Colleague or Mentor for an Award!

The 2022 [IUPAC-Richter Prize](#) is to be awarded to an internationally recognized scientist, preferably a medicinal chemist, whose activities or published accounts have made an outstanding contribution to the practice of medicinal chemistry or to an outstanding example of new drug discovery. The prize is \$10,000.

The award will be presented during the 37th ACS National Medicinal Chemistry Symposium (June 26-29, 2022) in New York, and at the XXVII EFMC International Symposium on Medicinal Chemistry (September 4-8, 2022) in Nice (France), where the recipient will also give a plenary lecture on the subject of his/her research.

The nomination should be uploaded by December 15, 2021 with the following form of the IUPAC Secretariat :
